Weekly Construction Blast

July 2nd – July 7th

What you will see this week:

- Pouring concrete slab for bike parking east of H.C. White.
- Delivery of 40 ton crane and other construction equipment for stone removal.
- Electrical, Mechanical, and Plumbing site investigations & beginning shutdowns.
- Utility tie-in to field office.
- 5th and 4th Floor Partition Walls being constructed.
- Exterior window removal on the southwest face of the building.

Key shutdowns and closures this week:

- Lot 1 closed to the public (handicap stalls remain).
- Park St. entrance closed (emergency egress maintained).
- Entrance near Paul Bunyan Room closed.

Other site logistics details this week:

- Please follow signs regarding covered walkway on the corner of Park and Langdon.
- New bike parking area in Lot 1 is open. Sidewalk to Terrace in Lot 1 remains open.
- Air Compressor located outside bicycle resource center.
- Hoofers to remain open until the end of summer during construction.

Construction noise/vibration this week:

- Some noise from stone removal on southwest corner of Memorial Union to be expected

Student involvement this week:

- No weekly construction meeting due to the 4th of July holiday.

Project milestones this week:

- Complete bike parking area east of H.C. White.
- Finish construction fencing, windscreen installation and field office trailer set-up.
- Electrical, Mechanical and Plumbing Contractors performing site investigations and some shutdowns in the West Wing.
- Completion of covered walkway on the corner of Park and Langdon St.
- Complete partition walls on the 4th and 5th floor.

Looking ahead:

- Begin abatement and demolition work on 5th floor – 07/09.
- Continuing partition wall construction to isolate west wing over the coming weeks.

The more things change…the more they stay the same.

The Memorial Union Terrace will be open all summer! The Union staff has been hard at work installing a new cooler and bar on the terrace to ensure that students, members, and guests can still enjoy their favorite cold beverage throughout these hot summer months. Our thanks to everyone for their flexibility as construction begins!
