What’s Happening on Site this Week?

- Finish installing light ladders in Theater
- Paint stage fly shaft wall and conduit
- Install tile in Winkler Lounge bathrooms
- Install pipe grid in Play Circle
- Finish installing and insulating piping in box conduit
- Pour box conduit lid
- Install light fixtures in Class of 1925 Gallery

Looking Ahead:

- **February 17**: Indoor plumbing will go on line and portable toilets will be removed from the site
- **February 24**: Air Handling Unit 1 (Theater) will begin operation
- **March 1**: Pulling of all the audio/visual wire in Theater will begin

Project Milestones:

- Der Stiftskeller reopens Feb. 10

Anticipated Noise and Disturbances

- Most noise will be contained to the south end of the west wing, potentially affecting patrons in Der Rathskeller or Peet’s Coffee
- Noise on the first floor will be greatly reduced due to the substantial completion of Der Stiftskeller.

Site Logistics/Key Closures:

- The Route 81 and 82 buses have returned to Langdon Street
- The east sidewalk on Park Street has been closed north of Observatory Drive
- A minimal increase in traffic on Langdon Street is expected as a result of construction deliveries

Student Involvement:

- Design Committee, a student majority group which makes design recommendations to Union Council, is now in session
- Two UW students are employed with the project as Boldt interns

Der Stiftskeller Reopens!

Following a four-month renovation and restoration, Der Stiftskeller is now complete and set to reopen to the public Monday afternoon. Closing just after Homecoming Week, the quick completion of the space is thanks to many long hours put in by the project’s skilled tradesmen.
Construction Photos of the Week

The familiar pool tables and murals have returned to Der Stiftskeller.
