What’s Happening on Site this Week?
- Hang drywall in the Fan Taylor Lobby
- Finish installing Roof E and Roof N
- Begin installing wood flooring in Class of 1925 Gallery
- Begin installing wood flooring in Play Circle
- Begin installing ceiling in Winkler Lounge
- Finish installing first floor elevator frames

Project Milestones:
- The Winkler Lounge will be ready for paint beginning next week
- Work soon to be completed that will allow function of Air Handling Unit 4

Anticipated Noise and Disturbances
- Most noise will be contained to the south end of the west wing, potentially effecting patrons in the Rathskeller or Peet’s Coffee

Looking Ahead:
- March 24: Start Air Handling Unit 4
- March 24: Begin Installing Seating in Theater
- March 31: Begin Installing Orchestra Pit Lift
- April 7: Begin Installing Theater Carpet
- April 7: Begin Installing Play Circle Seating

Site Logistics/Key Closures:
- The Route 81 and 82 buses have returned to Langdon Street
- The east sidewalk on Park Street has been closed north of Observatory Drive
- A minimal increase in traffic on Langdon Street is expected as a result of construction deliveries

Student Involvement:
- Design Committee, a student majority group which makes design recommendations to Union Council, is now in session
- Two UW students are employed with the project as Boldt interns

Class of 1925 Gallery
Installation began this week on the Canadian maple wood flooring for the new Class of 1925 Gallery. The base of the walls in the room feature a cutout that will allow guests to get as close as possible to the walls to view the artwork.
Construction Photos of the Week

Installation of the new wood flooring in the Class of 1925 Gallery has begun.

The Gallery features a cutout at the base of the wall to allow patrons to get as close to the wall – and the artwork – as possible.
