Weekly Construction Blast

June 3rd – June 7th

MUR Construction Activities:
- Drywall south area of OPO/Hoofers
- Form and pour northwest planter walls
- Reconfigure and reduce construction fencing
- Install fire protection in south Mechanical Room
- Demo orchestra pit
- Install roof drains
- Pour slab-on-grade in basement of backstage Theater area
- Install wood decking on Alumni pier
- Pour Sunset Lounge roof
- Begin painting north area of OPO/Hoofers

MUR Construction Noise/Vibration:
- A majority of the noise will be from equipment being used near the Terrace to complete site concrete, the OPO/Hoofer’s enclosure, and Brat Stand over the next week.

Site Logistics/Key Closures:
- Park St. is now a one-way north bound street between Langdon St. and Observatory Dr. due to the Langdon St. Utility Project.
- Langdon St. will remain a one-way eastbound street from Lot 1 to Park St.
- All regional busses will be picking up on University Ave.

Student Involvement:
- The WI Union is currently seeking a Student Project Manager. All those interested are encouraged to apply: [http://www.union.wisc.edu/jobs-fulldescription.asp?applicant_id=](http://www.union.wisc.edu/jobs-fulldescription.asp?applicant_id=)

Looking Ahead
- Week of 06/10/13
  - Install planters at the Alumni Pier and set the planters on the OPO/Hoofers deck
  - Install tile and sprinkler heads in north area of OPO/Hoofers
  - Install Sunset Lounge roofing
- Week of 06/17/13
  - Install removable swim dock
  - Install floating dockage to Alumni Pier
  - Place sod at Alumni Park area
  - Place light fixtures in OPO/Hoofers
  - Install sprinkler heads in OPO/Hoofers

Neighboring construction projects:
- Langdon St. Utility Project (GREEN FENCING):
  - Continue excavation of the steam tunnel beneath park street
- Lot 6/H.C. White Parking Garage:
  - Work will continue on repairs and maintenance in Lot 6/H.C. White Parking garage. Increased construction traffic on Park St. expected.

Brat Stand Grand Opening!

Over the past two months, the entire project team has been working hard to complete all of the work required to open the remainder of the Terrace and the Brat Stand. Next week the Brat stand will be opening to the public with a fantastic and familiar food and beverage selection!
