Weekly Construction Blast
August 26th – August 30th

MUR Construction Activities:
- Pour base and walls for west box conduit
- Place concrete infills at Theater floor
- Remove old exhaust ducts and hoods from Theater
- Continue building H1 walls at Balcony
- Infill/relocate Attic roof hatch
- Install Sunset Lounge stairs
- Pipe and pull wire for Attic electrical
- Patch joists in 1st floor Stage Fly slab
- Infill/relocate roof hatch in Attic
- Rough-in Theater walls

MUR Construction Noise/Vibration:
- Noise will start to leave the Terrace area as most of the ongoing work moves south to the Theater and Play Circle areas of the West Wing

Site Logistics/Key Closures:
- All regional and city bus traffic has been diverted from Langdon St. due to the Langdon St. Utility Project.

Neighboring construction projects:
- Park St. will be closed to traffic for a majority of the Summer due to the Langdon St. Utility project in front of Science Hall. As a result, Park St. is a one-way northbound St. between Langdon and Observatory Drive.
- Langdon Street has been reversed to a one way, eastbound Street between Park and Lake Street

Student Involvement:
- Design Committee, a student majority group, which makes design recommendations to Union Council is now in session.

Looking Ahead
- Week of 09/2/13
  - Infill existing roof penetrations
  - Install Stair 2100X railings
  - Sand blast by ADA ramp/area well walls
  - Install group 1 and 2 steel in Attic
  - Complete framing for fresh air duct in north Attic
  - Continue work on south stone veneer wall
- Week of 09/9/13
  - Install ductwork and return fans in Theater attic
  - Install stand-off clips and trim for acoustical panels in Theater
  - Continue work on south stone veneer wall

Sunset Lounge NanaWall

The new Sunset Lounge will have a unique feature, called NanaWall. This is a glass wall that can fold back and open the entire space to the outdoors thereby connecting the Sunset Lounge to the popular Sunset Deck. This outdoor room will be an area on the Terrace that will be in complete shade so you can cool off on those really hot summer days!
